

Q. What is APOGEE?

APOGEE is the ISO 9001:2008 certified Annual Technical Fest of BITS Pilani that has hosted connoisseurs of engineering and technology over the years. From presenting papers and projects at the oldest-of-its-kind events in the country, developing unique solutions to real-life cases and problems, exhibitions of the best contraptions that man has made, guest lectures that tell stories never heard before, to the college's own literature festival, APOGEE challenges the intellect of the participants and piques the minds of the audience.

The previous editions of our fest have featured venerable names like Prof. HC Verma (Experimental Physicist), Dr. Vint Cerf (American Internet Pioneer), Jeffrey Archer (Bestselling Author), and the late Dr. APJ Abdul Kalam (Former President of India, Scientist) who have left the audience yearning for with their sheer brilliance on stage and have made such talks an unparalleled experience for all knowledge seekers in the country. In the past, we have also had several informative exhibitions by reputed organizations including DRDO, ISRO and CRPF.

Q. When and where will APOGEE 2024 take place?
